ABOUT ME

I am a third-year undergraduate at the University of Sri Jayewardenepura, studying Zoology, Microbiology, and Chemistry. Through my university laboratory practicals and academic projects, I have developed an interest in scientific investigation and laboratory work. I am eager to expand my practical knowledge, gain professional experience, and contribute to a scientific or laboratory team through an internship opportunity.

EDUCATION

University of Sri Jayewardenepura | 2024 - Present

- Major Subjects: Zoology, Microbiology, and Chemistry
- Engaged in hands-on university laboratory practical sessions across all three scientific disciplines.
- Developing structured laboratory methodologies, aseptic handling, and systematic scientific inquiry.

Kegalu Balika Vidyalaya-Kegalla | 2019-2022

- Completed Advanced Level examinations in the Biological Science stream.
- Results : B, B, C
- Built a strong foundational understanding in Biology, Chemistry, and Physics.

ACADEMIC & LABORATORY EXPERIENCE

University of Sri Jayewardenepura | 2024 - Present

- Participated in laboratory practicals as part of university science studies.
- Gained practical exposure to microscope use.
- Developed scientific observation skills through laboratory-based learning.
- Applied theoretical knowledge through academic practicals and projects.

SKILLS

- Microscope Use
- University Laboratory Practicals
- Microsoft Excel
- Scientific Observation
- Attention to Detail
- Academic Project Work
- Communication
- Teamwork
